

The Respect Agenda

The Respect Agenda is a simple set of standards which every member of the school community is expected to follow in the school and work environment. These are social, moral and ethical standards that sit at the core of our beliefs and shared commitment. Students, staff and all members of the school community are asked to understand and uphold these standards in everything that they do.

- Respect- For others
- Respect- For environment
- Respect- For learning
- Respect- For safety
