Dear Parent/Carer

**The International Baccalaureate Career Programme (IBCP)
Information Evening on Wednesday 13th July at 6.30pm
Year 9 and 10 parents and students**

At Wrotham School we are passionate about our students achieving and developing the best possible qualifications and skills to enable them to fulfil their career aspirations.

It is imperative that we offer a curriculum at Key Stage 5 that prepares our students for the global economic challenges and competition that they will face throughout their working life. We are convinced that the IBCP can do just that.

The International Baccalaureate Career Programme is more than just an education. It is a programme of study that will provide a well-rounded education for post 16 students at Wrotham School from September 2017. The programme is an internationally recognised course, followed by students around the world. It seeks to develop inquiring, knowledgeable and caring young adults who are prepared for the modern world.

The programme leads to further/higher education, apprenticeships or employment. We are delighted to welcome our guest speakers for the evening; Dr Peter Fidczuk (IB UK Development and Recognition Manager) and Ms Kate Grieg Headteacher of King Ethelbert School in Birchington, both of whom have a wealth of experience regarding the delivery of the programme and its impact on student achievement.

Please complete and return the reply slip below to indicate you are able to attend. We look forward to seeing you on the 13th July.

Yours sincerely

Matthew Wright
