

CHARACTER NEWSLETTER

Wow! What an incredibly busy and exciting first term we have had at Wrotham School!

Firstly, it has been an absolute pleasure to welcome all our students back into school and, most importantly, into our wonderful new building. It is a genuine joy to finally have a school environment that our students can be proud of and one that they truly deserve. The respect our students have shown for their new surroundings has not gone unnoticed, and I feel an enormous sense of pride walking around a school that feels so calm and focused on learning.

The term was filled with achievements, successes and fantastic opportunities, many of which you will read about in this newsletter. Our staff continue to go above and beyond to ensure that our students experience everything that secondary school has to offer. I have been particularly proud of our new Year 7 students, who have embraced secondary school life with enthusiasm and confidence.

Another highlight this term was being able to open our doors for our first official Open Evening in many years! We welcomed over 300 Year 5 and Year 6 pupils and their families, who had the opportunity to explore our fantastic new facilities and experience everything Wrotham School has to offer. We are equally excited to welcome our Year 11 students and their families to our Sixth Form Open Evening on Thursday 12th November.

I would also like to take this opportunity to thank all our parents and carers for your continued support. Working together, maintaining high expectations and ensuring that our children make the most of every opportunity is what makes our school community so special. As we look ahead to Term 2, we have another exciting and busy few weeks planned, with plenty of events and celebrations as we approach Christmas.

Thank you to our students, staff and families for such a positive start to the academic year. I am incredibly proud of what we are building together at Wrotham School, and I look forward to all that lies ahead.

Here we celebrate a remarkable group of young people who have consistently embodied our school values throughout the entire academic year. These students have not simply excelled on one occasion or during one term; they have demonstrated exceptional character day after day, through their actions, attitudes and interactions with others. They have led by example, shown resilience in the face of challenge, supported their peers, and made a positive contribution to our school community, making them exceptional role models within our school.

What makes this even more impressive is that these Character Strengths have not been earned solely within the classroom. They reflect the students' commitment to every aspect of school life. Whether representing the school at sporting fixtures, completing the Duke of Edinburgh's Award, performing in our music concerts and productions, volunteering their time, or participating in the many extracurricular opportunities available, the students consistently strive for excellence. Through their actions, they embody our school's values and ethos, serving as outstanding role models for those around them.

We are incredibly proud of each and every one of them but their achievements reflect not only their own commitment but also the encouragement and support they receive from parents, carers and our dedicated staff. Thank you all, to the role you have played in helping these young people become the individuals we celebrate today.

IWhat an outstanding achievement! To have already earned 100 or more Character Strengths in just one term is something to be incredibly proud of. These students have consistently demonstrated the very best of Wrotham School's values through their positive attitudes, hard work, kindness, respect and commitment to school life.

Character is not demonstrated through one good deed, but through the choices we make every single day. These students are setting a fantastic example to others and showing what it truly means to be a Wrotham School student.

As Headteacher, I am immensely proud of each and every one of you. Congratulations on such a remarkable start to the academic year. Keep up the excellent work!

Student Spotlight

Student Spotlight is dedicated to recognising those individuals who consistently go above and beyond in their efforts, attitude and contribution to school life. Whether through exceptional leadership, remarkable resilience, academic excellence or acts of kindness that strengthen our community, these students embody the very best of our character values. We are proud to celebrate their achievements and share their stories, shining a light on the positive impact they make each and every day.

Ben C - Yr9

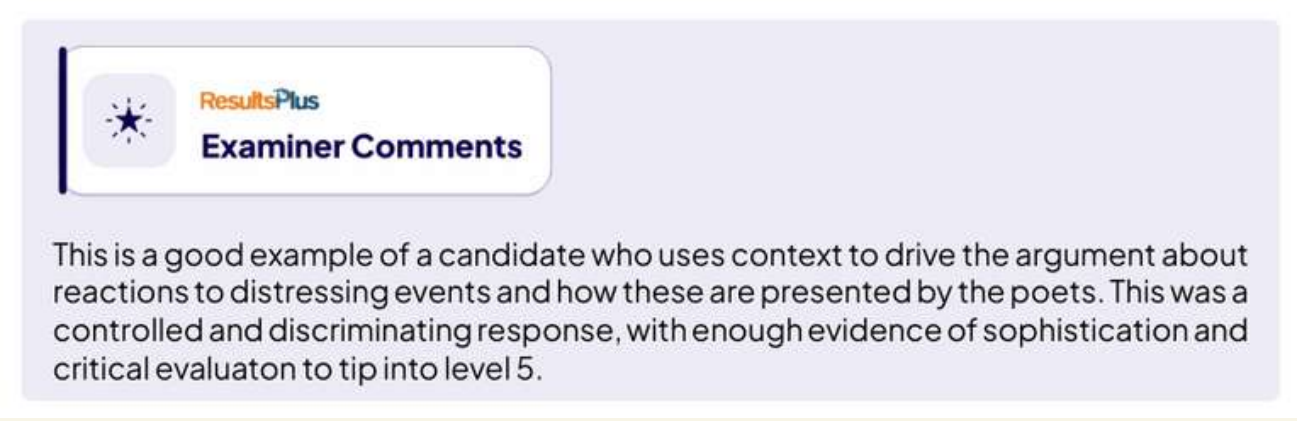

Ben was at the National British motocross championships, being selected by his motocross club.

Ben and his team went off to Oxford for the weekend and they came 5th out of all. We are so proud of Ben and the team.

Teddy P Yr 13 (2025-2026)

Teddy's modernism essay was selected by the chief examiner to be the model essay in their exam report! In twenty years of teaching Mrs Patt has never had this happen.

It is testament to how hard Teddy worked to prepare for his exams, and the Chief Examiner has praised it as an example of 'a thoughtful and cogent discussion.'

Student Spotlight

Alfie W, Year 9

Alfie wanted to share a picture from his recent boxing match night which he won.

Esme M Yr10

In July Esme received her results for her grade 5 LAMDA acting exam. We are proud to say that Esme got a distinction. Grade 5 is equivalent to GCSE level and during the exam Esme had to perform 2 monologues to the examiner, each one being 10 minutes long and then answer questions to show her knowledge of the pieces.

She was particularly worried about the knowledge part but managed to get full marks in this area!

Esme is now working towards her grade 6 which she should take very early next year, and which is the start of A level equivalent levels and will provide her with UCAS points.

Daisy R Yr11

Daisy qualified at Hickstead for the Sunshine Tours competition, competing in dressage and showjumping.

Student Spotlight

Cian S-F Yr8

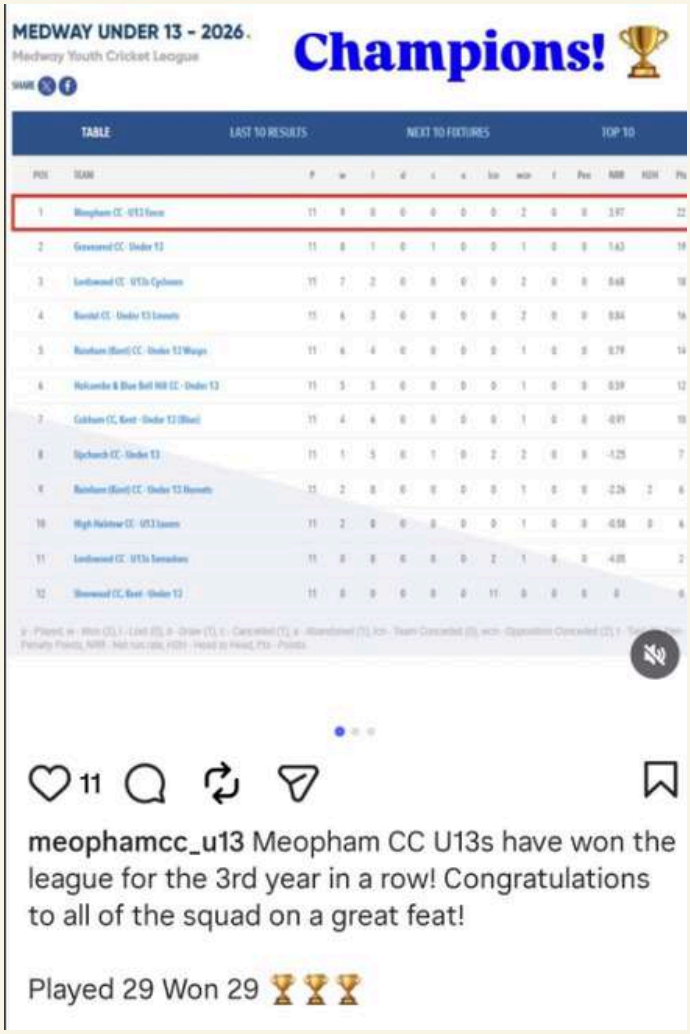

During the summer, Cian worked really hard to finish composing his own song called “Critical Eyes” which he performed at his Rock Music school summer concert on the 22nd of August. Besides playing the lead guitar he also recorded the second guitar and bass for his backing track.

We are excited to keep supporting him to progress with his music.

Louis R Yr8

Louis plays cricket for Meopham CC. This year, Louis and his team (Under 13s) won the Medway Youth cricket league for the 3rd year in a row!

They won every match played.

Aston T Yr13

Aston passed his first pilot’s exam with 81%. He has 9 more exams to go but has made a fantastic start and will be carrying out solo flights soon!

Student Spotlight

Charlotte M Yr11

In September, Charlotte and her horse Winston qualified (placing 1st for her team, and 2nd place individually) to represent the Under 21's South and East region of the UK, at the affiliated LeMieux British Dressage Quest Championships up at Arena UK.

We are so proud of what Charlotte has achieved.

Leo M Yr12

Leo got invited to join a band and had 7 days to master their set list and practice with the new bandmates only twice in a week.

In October, they opened an evening at the Forum in Tunbridge Wells for a Blink182 tribute band and they smashed it to a full house!

Not a bad venue for one of their first public gigs outside of school and follow bands such as Oasis, Coldplay, Green Day, Adele…

The Silver DofE qualifying expedition took place on the final Thursday, Friday and Saturday of Term 1, in the Ashdown Forest area of East Grinstead. The groups had work incredibly hard to plan their routes for the three day expediton. Each day involved approximately 18k of walking, over some very hilly terrain - something that the groups only really discovered after they had set out!

The first night was very wet, and spirits were quite low before groups set out for their second day's walking. Fortunately both the weather, and team spirits, picked up and both the groups impressed their assessors with their teamwork, resilience and motivation.

The final day saw groups keen to reach the finish line. Good weather and their hard work saw all groups back before the heaven's opened again. An incredible effort from all involved!

All participants passed their expedition.

On Thursday 24th and Friday 25th September forty two Year 10 students undertook their Bronze DofE quaiifying expedition, walking from school, and camping in the school field, before completing their second day's walk.

The good weather contributed to a high level of enthusiam amongst participants, and the expedition was a great success overall.

It was brilliant to see the progression that so many had made from the practice expedition in the last academic year. This was evident not just in the attitude and conduct on the walks, but had been clear in the preparation of their routes and organisation before setting off.

On both days moral was high, and groups functioned fantastically supporting and enouraging each other every step of the way.

A brilliantly-successful expedition all round.

'I wanted to express how amazing they were, for year 7s that started just last week, they had knowledge about where things were, took control when our group wanted to stay longer and honestly were an absolute delight to be around. They represented you school to such a high standard! Honestly, they sold the school to me just the boys alone! Alex and Logan were a credit to your school! I hope they receive a substantial amount of character strengths for their incredible work!

TRIPS AND EVENTS IN TERM 1

Year 10, 11, 12 and 12 - Thorpe Park trip

In October, 340 Key Stage 4 and 5 students went to Thorpe Park for Fright Night for an evening of thrills, excitement and - for those braving the mazes - terror! The rain did not dampen the student's joy and enthusiasm!

Alumni visit - Year 9

Zara used to study at Wrotham and now she works as a sustainability officer for a construction company called Collins Construction.

They work on existing spaces and transform them, working across London and the South East. She talked about her career journey, what she does and the importance of considering sustainability as a future career aspect.

She set all of Year 9 a challenge that they undertook after the talk - the winners will be invited to a workplace experience with Collins.
