Dear Parent/Carer,

We aim to help all students make a successful and enjoyable transfer to Secondary education. We have three exciting opportunities for pupils currently in Year 5 to visit our amazing school in advance of making their secondary school selection before the deadline on 31st October 2026.

Open Evening

We are very proud of Wrotham School and our open evening in previous years, has been extremely popular and well attended. We hope to give as many students and parents as possible the chance to visit our amazing school before making their secondary school selection before the deadline on 31st October 2026.

You may be aware that we have extensive building work underway for our impressive new school. This does mean that we have some restrictions on where we can tour parents and limits on parking space. However, to ensure this still goes ahead we are pleased to announce that we are now able to offer an Open Evening on **Thursday 10th September 2026 between 4.30pm and 7.30pm** strictly for admissions for September 2027 (Year 6 in September 2026). This will be an opportunity for you to attend a presentation from Mrs Abbott, Headteacher, before visiting our subject teachers with current students of the school.

There will be three Headteacher talks which will commence promptly at the times below in the theatre.

- Session 1 will run from **4.40pm**
- Session 2 will run from **5.40pm**
- Session 3 will run from **6.40pm**

We are excited to announce that we are now able to offer Headteacher small group tours for parents and students that will be in Year 6 from September 2026 and considering joining us in September 2027. These will take place every Monday and Thursday from **21st September to 16th October 2026 at 9.15am** for up to one hour.

To book a place on one of our September 2027 Starters Tour dates, use the **QR code below or use the** link <https://Headteachertour2027.eventbrite.co.uk>

Transition Experiences

We would like to invite prospective students to Wrotham School to experience our taster lessons on Thursday after school during September and October 2026. These lessons are strictly for students transferring to secondary school in September 2027.

The purpose of the lessons is to provide a 'taster' of education in a secondary school where students can extend their talents in subjects of their choice. Students can attend one of the listed subjects per week.

The one hour session will run as follows:

- 3:30pm - students to report to the theatre and sign in with parent/carer
- 3:40pm - students will be collected from the theatre by a teacher and taken to the classroom
- 4:30pm - students will be escorted back to the theatre for collection by parent/carer

Students can only attend one subject lesson per date.
