CAREERS THIS WEEK

This section of the newsletter is all about what's going on in school - what we've been doing and what's coming up! This is what we're up to over the next week.

Year 8 will continue in computer rooms this week, so that the remaining students can set up their Morrisby accounts. They will complete a short questionnaire that teaches Morrisby a little about their interests so that the platform can be personalised for them. This is the platform they'll use to register their work placements as well.

Year 8 and Year 9 will be covering equality and equity laws in progress time this week. It's part of the PSHE programme that links directly with their rights at work and their responsibilities in the workplace.

Years 8, 9 and 10 have all had information about their work placement days now. If anyone is struggling to log in to Morrisby to let us know the information, please check the guide on page 4 and email Mrs Hollinshead with any questions.
