Student Voice in Term 1: all students will have a session to complete the national careers readiness survey (the Future Skills Questionnaire). We want to find out about your aspirations and what you do/don't know about your future options.

MORRISBY NEED YOUR HELP!

Morrisby is the careers platform that we use at Wrotham School. You get your account from Year 8 and use it to explore careers, access your career records and to do your research. They're releasing a new feature (no details yet) and want your help to name it. Click here for the student survey. [Morrisby Survey - student version](#)

UPCOMING DATES (more to come):

- **16th Sept** - Y12-13 Maidstone University Fair at Maidstone Grammar School (after school)
- **5th Oct** - Y9 Experience of a Workplace in-school competition with Collins Construction
- **13th Nov** - Y12-13 trip to What Careers Live at the London Olympia.
- **2nd Dec** - Y12 Careers Conference at University of Kent.

CAREERS ADVICE

Year 13 students who want to explore apprenticeships have a **FANTASTIC** opportunity to sign up to the Apprenticeship Academy - a five week coaching programme that the school pays for (because it's so good!)

First session is this Wednesday (16th Sept) and it's every week from 4-5:30pm. Perfectly timed for higher and degree apprenticeship opening dates! [SIGN UP HERE.](#)

SUPPORT FOR PARENTS AND CARERS

Our guide for parents/carers of Year 11 students sent home last term, but if you missed that and would like to read/listen, here are your links.

OPPORTUNITIES

Recycle Week 2026 takes place from September 14 to September 20, 2026, with the theme "Rescue Me" focusing on rescuing recyclable items from the rubbish bin. Recycling is about much more than putting the right item in the right bin. Behind it is a huge range of people and careers working to reduce waste, protect natural resources and develop new ways of reusing materials.

The British Antarctic Survey have an amazing virtual work experience for 14-19 year olds that is for five days over the October half term. Closing date is 25th September and you can click to apply here. Learn about scientific research roles and take part in a real-world project!

The Environmental Agency are running a virtual work experience opportunity. Students aged 13+ can explore Environment Agency careers, sustainability, flood and coastal management through interactive activities. The programme is self-paced and provides a certificate to add to CVs.

This online programme focuses on sustainable Careers in Forestry. It allows you to explore careers including forest ranger, nursery grower and forestry consultant. You will investigate conservation and sustainable woodland management while developing valuable employability skills including teamwork, communication and problem-solving.

The Heathrow Environmental Engineering Sprint is aimed at students aged 16+ who are considering a career within environmental engineering, and want to experience tackling a realistic sustainability and biodiversity challenge. This is a great opportunity to experience how engineering can help organisations become more environmentally sustainable.

Green Jobs for Nature (GJfN) is all about making careers geared towards restoring and replenishing our natural environment more visible and achievable for all those thinking about their future work. The Green Jobs for Nature website is focused on the 'nature' side of green jobs, specifically roles that directly contribute to managing, protecting and restoring our natural world.

The environment needs diverse perspectives and passionate individuals to pursue nature-focused careers. Could this be you? Take the quiz here.

EMPLOYER SPOTLIGHT

[Aldi](#) is one of the UK's largest supermarket chains, with stores and distribution centres across the country. Its early careers opportunities can include apprenticeships and graduate programmes covering stores, logistics, buying, property and business functions.

For young people who enjoy working with others, solving problems and taking responsibility, Aldi offers routes into retail and management with structured training and opportunities to progress.

UNIVERSITY SPOTLIGHT

[The University of St Andrews](#) is Scotland's oldest university, based in the coastal town of St Andrews in Fife. It offers subjects across science, humanities, social sciences and medicine and is known for its close-knit student community. Students can explore flexible degree options, study abroad opportunities, societies, volunteering and careers support. It may particularly appeal to students looking for a smaller university-town experience.
