

NATIONAL APPRENTICESHIP WEEK AT WROTHAM SCHOOL

5-11 FEBRUARY 2024

LOOK ONLINE FOR #NAW2024

YEAR 9 AND UPPER SCHOOL

National Apprenticeship Week 2024 is the 17th annual celebration of apprenticeships. The week brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses and the wider economy.

Wrotham School actively champion apprenticeships and we are confident in the support and information that we give our students about this and other options at post-16 and post-18.

This week is an important part of our wider careers education programme and we hope that you find useful information here to allow you to support your child if they are interested in this route after Year 11 or Year 13.

Our sixth form students now match or exceed the average number of students going on to apprenticeships in Kent and nationally including higher and degree level.

2021:
WROTHAM - 7%
KENT - 6%
NATIONAL - 7%

2020:
WROTHAM - 10%
KENT - 5%
NATIONAL - 6%

2019:
WROTHAM - 6%
KENT - 6%
NATIONAL - 8%

Please note, published data has a 2 year delay and only includes successful placements where students actually continued with their apprenticeship. Data is sourced from Kent County Council and the DfE.
